BIOGRAPHY

Decades of live experience. A repertoire built for the room.

Born and raised in South Africa, Pieter received his first guitar at the age of eight and was performing on stage by twelve. His professional career brought him to Abu Dhabi in 2001, where he began at the Hilton Hotel. Since then, he has performed throughout the UAE, Oman, Bahrain and Qatar in hospitality venues and at corporate and private events.

MUSICAL RANGE

Pieter’s repertoire includes more than 500 cover songs spanning multiple decades. His musical range moves between blues, rock, pop, reggae, country, lounge, disco, Latino, rock & roll and Top 40 — from timeless classics and sing-along favorites to contemporary chart material. He produces his own backing tracks and takes a hands-on approach to live sound and presentation.
